**THE MOULDING SHOWROOM  
AT DUNN LUMBER BELLEVUE**

With style DNA that extends all the way back to the quirks, beads, cymas, ovolos, and ogees of the Greeks and Romans, this collection of timeless mouldings carries the same beauty and elegance found in Colonial Revival and Classical Revival interiors of the early 20th century into the aspiring traditional homes of the modern day. Richly detailed profiles with crisp shadow lines can be used individually or stacked to create greater impact and visual presence.
