**THE MOULDING SHOWROOM
AT DUNN LUMBER BELLEVUE**

Embodying an era when the only thing more abundant than wood was the public's love for rich ornamentation, Victorian mouldings represent a high point of beautiful trim and elaborate millwork. From high baseboards and decorative wainscots at the floor to picture rails and stacked crown mouldings at the ceiling, Victorian mouldings were a completion package, all centered around the classic reeded pilaster casing with plinth blocks and corner blocks that define the look of the period.
